

# HIV in Europe Newsletter

Issue No. 27 - February 2017

## The HepHIV 2017 Conference

The 2nd HepHIV 2017 conference took place in Malta from 31 January to 2 February 2017. A total of 257 participants took part and contributed with presentations, posters, discussions and more. You can find the posters and presentations on our [website](#).

[OptTEST by HiE](#) was also prominently featured in the programme with lots of presentations and posters with results so far as the project is entering its final stage. You can find all posters and presentations [here](#).

## 10 years of HIV in Europe

The year 2017 marks the 10 year anniversary of the HIV in Europe initiative. Read more about how the initiative started, what successes there have been and what remaining challenges and more in our report about the first 10 years of HIV in Europe [here](#).

## European Testing Week

The 2016 [European Testing Week](#) took place from 18-25 November 2016. A total of 519 participants took part in the week and carried out activities throughout Europe to promote testing. Evaluation materials will soon be available for download on the [website](#).

## Call for submissions

### World Hepatitis Summit (Brazil, 1-3 November 2017)

[The World Hepatitis Summit](#) has launched a Call for Submissions inviting individuals, groups and organisations to outline their original contributions (including scientific, social and community research, programmes, products and policies) and how these have, or may have, the potential to contribute to the response to viral hepatitis in their nation, region, or community. Submissions close on 1 May 2017.

### Hepatitis C Community Summit (Amsterdam 18-19 April 2017)

Submit your abstract about innovative approaches, community initiatives, successful advocacy examples and successful 'from research to practice' examples by 10 February and take part in the [Hepatitis C Community Summit in Amsterdam on 18 and 19 April](#).
